# Instructions

If you file one of the following franchise tax returns, you may claim as a credit against your franchise tax certain special additional mortgage recording tax you paid.

Form Number	Tax Law Reference
CT-183	Article 9 — section 183
CT-184	Article 9 — section 184
CT-185	Article 9 — section 185
CT-186	Article 9 — section 186
CT-3*	Article 9-A
CT-32	Article 32
CT-33	Article 33

\* General business corporations previously filing Form CT-4 may claim the credit by filing Form CT-3 in any year the credit is claimed.

A tax credit will not be allowed for the special additional mortgage recording tax paid on **residential** mortgages (defined below) recorded after May 1, 1987, if the real property is located in Erie County or one or more of the counties within the Metropolitan Commuter Transportation District (MCTD).

A **residential** mortgage is defined as a mortgage of real property that has been or will be principally improved by one or more structures containing a total of not more than six **residential** dwelling units, each with its own separate cooking facilities.

Residential mortgage lender corporations, taxable under Article 9-A, will **not** be allowed to carry forward unused special additional mortgage recording tax credit due and paid in any tax year beginning before January 1, 1986, to tax years beginning on or after January 1, 1986. For periods beginning on or after January 1, 1986, through periods beginning before January 1, 1990, these taxpayers may elect, in lieu of carryover, to treat the unused portion of special additional mortgage recording tax credit as an overpayment of tax to be credited or refunded on Form CT-43.1. See TSB-M-86(9)C for additional information.

When claiming this credit, the amount of the special additional mortgage recording tax used as a deduction in the computation of federal taxable income must be added back when computing New York State entire net income. When the special additional mortgage recording tax credit is not claimed, add-back of the tax paid is not required when computing entire net income (for additional information, see Technical Services Bureau Memorandums TSB-M-87(7)C and TSB-M-87(10)C).

This credit may not reduce the franchise tax below the higher of the tax on minimum taxable income base or the fixed dollar minimum tax (see instructions for line 6). Corporations taxable under Articles 9-A, 32 and 33 must apply this credit after all other tax credits. If there is a special additional mortgage recording tax credit available to be carried forward, please complete lines 5 through 8 of this form.

**Line 6** - A taxpayer filing Form CT-3 must include on this line the higher of the tax on the minimum taxable income base or the fixed dollar minimum tax. This is the amount shown on line 51 of Form CT-3. A taxpayer filing Form CT-33 may be subject to a tax less than the minimum tax plus the tax surcharge because of section 1505 of Article 33. In this case, if line 6 is greater than line 5, enter "0" on line 7. All other taxpayers include on this line the amount listed under minimum tax at the bottom of the front page.

For corporations filing Forms CT-3, CT-32 or CT-33, the gain or loss on the sale of real property on which the special additional mortgage recording tax credit was claimed must be increased, in the case of a gain, or decreased, in the case of a loss, when all or any portion of the credit was used in the basis for computing federal gains.

For additional information about this credit, please refer to Technical Services Bureau Memorandum TSB-M-79(3)C.
