Instructions

Important reminder to file a complete return: You must complete all required schedules and forms that make up your return, and include all pages of those forms and schedules when you file. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.

Up-to-date information affecting your 2005 tax return

Visit the *Corporation Tax Up-to-Date Information* page on our Web site for Tax Law changes or forms corrections that occurred after the forms and instructions were printed (see *Need help?* in Form CT-3/4-I, *Instructions for Forms CT-4*, *CT-3*, and *CT-3-ATT*).

New for 2005

Tax rate reduction for small business taxpayers — For tax years beginning on or after January 1, 2005, the entire net income (ENI) (before allocation) threshold amount to determine what constitutes a small business taxpayer for purposes of applying a reduced tax rate on the ENI base has been raised from \$290,000 to \$390,000. For tax years beginning on or after January 1, 2005, the tax rate on the ENI base for a small business taxpayer with an ENI base of \$290,000 or less is reduced to 6.5%; with an ENI base greater than \$290,000, the tax rate is between 6.5% and 7.5%. For a complete definition of small business taxpayer, see *Small business taxpayer definition* in Form CT-3/4-I. For more information on the reduced tax rates, see *Tax rates schedule*, Table II, in Form CT-3/4-I and TSB-M-05(3)C, *Summary of Corporation Tax Legislative Changed Enacted in 2005.*

Capital base tax limitation increase — For tax years beginning on or after January 1, 2005, the maximum amount of the capital base tax under Article 9-A has increased from \$350,000 to \$1,000,000 for all taxpayers except manufacturers. To see if you qualify as a manufacturer for purposes of the capital base tax limitation, see the instructions for line 164 in Form CT-3/4-I.

Who must file Form CT-3-C

All corporate stockholders in domestic international sales corporations (DISCs) must file this consolidated return when the DISC is exempt from tax under Article 9-A of the Tax Law. The return must include information about the stockholder and tax-exempt DISCs in which the stockholders own stock.

Required forms

The tax-exempt DISC must complete and file Form CT-3-B, Tax-Exempt Domestic International Sales Corporation (DISC) Information Return. The stockholder of the DISC must complete and file Form CT-3, General Business Corporation Franchise Tax Return, and Form CT-3-C. Copies of the information return for tax-exempt DISCs, Form CT-3-B, must accompany Form CT-3-C.

General instructions

List names and employer identification numbers of the stockholder and DISCs in the spaces provided.

The information requested on this form may be found on Forms CT-3, CT-3-ATT, and CT-38, *Minimum Tax Credit*, filed by the stockholder, and Form CT-3-B, filed by the tax-exempt DISC. When the tax period of the DISC differs from that of its stockholder, the period of the DISC that ends within the period of the stockholder is consolidated on Form CT-3-C.

Stockholder of tax-exempt DISC included as part of combined return

If the stockholder of a tax-exempt DISC files as a part of a combined group, it will no longer be required to file Form CT-3. The DISC information for Schedules B through E on pages 2 and 3 may be obtained from the DISC information report, Form CT-3-B. The stockholder should record its information on

Schedules B through E as if it had filed Form CT-3 (instructions for specific lines may be obtained from the instructions for combined returns on Form CT-3-A-I). It will only be necessary to carry information to Schedule A on page 1 for lines 1, 4, 8, 11, 14, 19, 21, 24, 27, 29, 32, and 42. Information from page 1 of Form CT-3-C will be listed on Form CT-3-A for the subsidiary/stockholder.

Specific instructions

Reporting period

All filers must complete the beginning and ending tax period boxes in the upper right corner on the front of the form.

Schedule A — The tax rates are listed in the instructions for Form CT-3

Compute a tax for each taxable base (Parts I through $\rm V$) and transfer the amounts to Form CT-3, where the tax due before credits is determined on line 78.

Part I — line 10.

General business taxpayers — The rate of tax on the entire net income base is 7.5% (0.075).

Qualified small business taxpayers — The tax rate is 6.5% (0.065) for taxpayers with entire net income base of \$290,000 or less. The tax rate is a blended rate between 6.5% and 7.5% (0.075) for taxpayers with entire net income base greater than \$290,000 (see *Tax rates schedule* in Form CT-3/4-I, *Instructions for Forms CT-4, CT-3, and CT-3-ATT*, for the tax rates and line 25 of Form CT-3 for the proper computation).

Enter the amount from this line on Form CT-3, line 72.

- Part II line 18. Enter the amount from this line on Form CT-3, line 73. Manufacturers do not enter more than \$350,000, and all other taxpayers do not enter more than \$1,000,000. See the instructions for line 164 in Form CT-3/4-I to see if you qualify as a manufacturer.
- Part III line 26. The rate of tax on the minimum taxable income base is 2.5% (0.025). Multiply the amount on line 25 by this rate. For complete details, read the instructions for Form CT-3, lines 42 through 71. Enter the amount from this line on Form CT-3, line 71.
- Part IV line 41. For complete details, read the instructions for Form CT-38, Schedule A. Enter the amount from this line on Form CT-38, line 18.
- Part V line 43. Enter the amount from this line on Form CT-3, line 77.

To determine the tax due, complete Form CT-3, lines 71 through 82.

DISC columns — Enter at the top of each column the percentage owned, based on issued and outstanding capital stock. Enter the stockholder's attributable share of amounts reported by the DISC on Form CT-3-B.

Column B — Intercorporate eliminations

You must base intercorporate eliminations on the respective reporting periods of the stockholders and the DISCs. Attach a statement explaining all intercorporate eliminations.

- Schedule B Eliminate intercorporate business receipts and the capitalized value of real property rented if the lessor and lessee are included in this return.
- Schedule E Eliminate deemed and actual dividends received from DISCs to the extent included in entire net income. Also eliminate intercorporate assets and liabilities.
