A tax credit is not allowed for the special additional mortgage recording tax paid on **residential** mortgages (defined below) recorded on or after May 1, 1987, if the real property is located in Erie County or any of the counties within the Metropolitan Commuter Transportation District (MCTD). The MCTD includes the counties of New York, Bronx, Queens, Kings, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, and Westchester.

A *residential mortgage* is defined as a mortgage of real property that has been or will be principally improved by one or more structures containing a total of not more than six **residential** dwelling units, each with its own separate cooking facilities.

Article 9-A taxpayers who paid the special additional mortgage recording tax on residential mortgages in any tax year beginning before 1986 may **not** carry forward unused special additional mortgage recording tax credit relating to these residential mortgages. For tax years beginning on or after January 1, 1986, and before January 1, 1990, and tax years beginning in or after 1994, in lieu of a carryforward, these taxpayers may elect to treat the unused portion of special additional mortgage recording tax credit as an overpayment of tax to be credited or refunded. See Technical Services Bureau Memorandum TSB-M-94(4)C for more information.

For tax periods beginning in and after 1994, New York S corporations taxable under Article 9-A may apply this credit against the franchise tax, carry it forward, or treat it as an overpayment of tax as discussed above. Credit earned by the S corporation **does not flow through** to the shareholders to be claimed against their personal income tax liability.

When claiming this credit, you must add back, to your entire net income, the amount of the special additional mortgage recording tax used as a deduction in the computation of federal taxable income. (See TSB-M-87(7)C and TSB-M-87(10)C for more information.)

For corporations filing Form CT-3, CT-3-A, CT-3-S, CT-3-S-A, CT-32, CT-32-A, CT-32-S, CT-33, or CT-33-A, the gain or loss on the sale of real property on which the special additional mortgage recording tax credit was claimed must be increased, in the case of a gain, or decreased, in the case of a loss, when all or any portion of the credit was used in the basis for computing federal gains.
